

SUIT & MAI TAI

YACHT THAT ROCKS

ABOUT

Suit & Mai Tai brings the smooth sounds of yacht rock to life - then cranks it up with a fresh, unexpected edge. With a loyal and lively following, this seven-piece supergroup has been rocking top music venues, festivals, theaters, and private events of all sizes.

Fueled by three powerhouse vocalists, rich harmonies, searing guitar work, blazing horns, and a thunderous rhythm section, **Suit & Mai Tai** brings the best of the '70s and '80s to life. From Christopher Cross, The Doobie Brothers, Fleetwood Mac, Toto, and Steely Dan to Styx, The Eagles, and many more, **Suit & Mai Tai** performs yacht rock classics with grit - where velvet meets voltage.

Their slogan says it all: "**Yacht That Rocks**". This isn't background music. It's a full-production, crowd-igniting event designed to keep audiences singing, dancing and coming back for more.
